Section 1 – Introduction

This directory provides a list of Healthy Mississippi, Inc.'s network providers.

A PCP (Primary Care Physician) is a healthcare provider who helps you manage your health. They're the first person you talk to when you have a health issue or medical problem that's not an emergency. Your PCP may refer you to a specialist for additional care. Our plan does not require referrals from your PCP, so you are not required to see your PCP before seeing a specialist. As an example, a specialist could be a podiatrist, a gynecologist, or a dermatologist.

Your PCP can help coordinate care between you and your specialists. Depending on the type of services, your PCP may be required to get prior authorization. Because our HMO is a HMO-POS, you are not required to select a PCP, and you are not required to see one in network.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory. We do not require you to get a referral to see a specialist. Other providers are available in our network.

For our PPO plans, out-of-network providers are under no obligation to treat Healthy Mississippi, Inc. enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Member Services Department at 833-201-6413. Hours are 8:00 am – 8:00 pm CST 7 days a week from October 1 to March 31, and Monday through Friday from April 1 to September 30. TTY users should call 711. You may also refer to your Evidence of Coverage (EOC) for more information, including the cost sharing that applies to out-of-network services.

For our HMO-POS plan, we offer a Point-of-sale (POS) out-of-network option for our HMO. For any Medicare-covered service, our members have the option to see an out-of-network provider, as long as they accept Medicare. We encourage you to call to verify an out-of-network provider will accept your insurance.

If you see an out-of-network provider, and get a bill, please contact us to help process it and determine if you have any payment responsibility. You can call us, email us, or you can send the bill with detailed information to us at:

Healthy Mississippi, Inc.
PO Box 21069
Eagan, MN 55121
healthymsplan@healthy-ms.com

Our plan allows you to go anywhere in an emergency, or to a qualified urgent care provider outside of our service area. If you are experiencing an emergency, please go to the closest emergency or urgent facility.

With the exception of emergencies, it may cost more to get care from out-of-network providers.

Medicare Advantage plans are required to maintain written standards for the amount of time members should have to wait to have an appointment scheduled for primary care and behavioral health services. Healthy Mississippi, Inc. meets CMS' minimum standards as follows:

- Urgently needed services or emergency—immediately;
- Services that are not emergency or urgently needed, but the enrollee requires medical attention—within 7 business days; and
- Routine and preventive care—within 30 business days.

Our Provider Networks and Tiers

Healthy Mississippi contracts with providers through the following networks. Each listing in this directory shows the provider's network.

- **SevaCare of Mississippi** (SCMS)
- **Mississippi Physicians Care Network** (MPCN)
- **First Choice** (FCPN)

All providers in these networks are Healthy Mississippi network providers.

Provider tiers

Each listing also shows the provider's tier (Tier 1 or Tier 2). [Explain what the tiers mean for members — for example, whether Tier 1 providers have lower copays or coinsurance than Tier 2 providers — and refer members to the Summary of Benefits / Evidence of Coverage for the exact cost sharing by tier. If tiers do not affect member cost sharing, state that here.]

ADA / Accessibility Information

Healthy Mississippi is committed to making sure members with disabilities can get the care they need. We are collecting information from our network providers about the physical accessibility of their offices and facilities, as required by the Americans with Disabilities Act (ADA).

Every listing in this directory includes an **ADA Accessibility** line. Right now, most listings show ***Pending***, which means we have not yet received or verified the provider's accessibility information. It does not mean the office is not accessible.

What we will report for each location

Code	Accessibility feature
P	Accessible parking
EB	Accessible exterior building entrance
IB	Accessible interior building (hallways, doors, elevators)
R	Accessible restroom
E	Accessible exam room
T	Height-adjustable exam table
S	Accessible weight scale
Pending	Accessibility survey not yet completed for this location

If you need to know whether a provider's office can meet your needs before your visit, call the office directly or call Member Services at **1-833-201-6413** (TTY users call **711**), 8:00 a.m. to 8:00 p.m. Central Time, 7 days a week from October 1 to March 31, and Monday through Friday from April 1 to September 30. We can also help you find a provider who can accommodate you, and arrange interpreter services, including American Sign Language (ASL), at no cost.

[Confirm the accessibility codes above match your provider accessibility survey, and replace "Pending" with codes as surveys are completed.]
